"Modern Mexican In a Beautiful Setting"

★★★★★ Reviewed November 6, 2011 **NEW**

Lunch on a Friday afternoon at Cantina Laredo proved to be a good idea. The menu offers traditional as well as "modern" Mexican cuisine. I had the Chicken and Mango Salad made with high quality greens, poached chicken breast and generous slices of fresh ripe mango. Finished with a honey vinaigrette (a little too sweet),pepitas and pecans, it made for a light but satisfying lunch. My friend had the quail with Chili Plum sauce which was delicious. The Mojitos, attractively served in Pilsner glasses over large ice cubes with plenty of fresh mint, were excellent. Service was both professional and friendly at this beautifully designed, spacious restaurant.
